Dear Vendor;

Thank you for your interest in the Chateau St. Croix Fall Festival. This is the 4th annual Fall Festival, this is the largest festival of its kind in our area. Last year, our attendance was approximately 6,000 people. We continually strive to make our Fall Festival the premier show of the region.

GENERAL INFORMATION:

The event is held at the Chateau St. Croix winery. The show is held behind the winery in a level grassy field. The event is held September 19-20, 2009. Setup can begin Friday, September 18 at 12:00 noon.

Event hours are Saturday 11:00 a.m. to 7 p.m. and Sunday 11 a.m. to 5 p.m., all booths must be open during this time. All exhibitors must be ready to open by 10:00 a.m. Saturday morning or their space will not be held. Please be prepared for inclement weather as the festival continues rain or shine.

We greatly encourage vendors to demonstrate their art or craft.

FEES:

The booth space fees are as follows:

PARTICIPATION:

This is a juried arts/crafts show and the application deadline is August 21, 2009. **Please add an additional late fee of \$20.00 if application is sent after August 21 deadline.** All applicants will be juried. Only juried items may be sold. The jury will make its final decision on all completed applications by August 31, 2009. We will contact all participating vendors at that time. All booth space fees are due with your application. Your application will not be considered if the booth fee does not accompany the application. Credit cards will not be processed for applicants that are not accepted. There are no booth fee refunds for vendors that are accepted and then decline or withdraw.

A committee will evaluate all applications based on the photos or samples of the work submitted. Please include 3-6 photographs of your art or craft. A photograph of your booth is desired but is not a requirement.

Please write a very brief description explaining the process, technique and materials used in creating your product. Please keep in mind that the jurors can be different from year to year so attention to presentation is of utmost importance. No crafter will be allowed in the show without advance acceptance and confirmation. If your booth requires a corner set-up or certain size or locations needs, be sure to indicate that on your application. Once booth spaces are assigned it is difficult to change them.
